SE Bend Septic to Sewer Advisory Committee openings

The City of Bend is seeking applications for the SE Bend Septic to Sewer Advisory Committee. Committee members will review and make recommendations to the Bend City Council regarding funding and policy alternatives to implement a comprehensive plan and strategy for septic to sewer conversions for the SE Bend/Kings Forest area. Consideration shall be given to include members from the Larkspur and Old Farm District Neighborhood Associations, and citizens at large, those with experience from the former Sewer Infrastructure Advisory Group (SIAG), and/or expertise in finance, engineering, real estate, or other applicable discipline. This is a temporary committee created by the City Council to meet for 18-24 months, which may be extended as necessary. It is anticipated that the Committee may meet one or two times per month.

Applicants must be residents of the City of Bend.

Applications, either emailed or in print, will be accepted until 5 p.m. on Friday, February 17, 2017. Please either email your application to: smunson@bendoregon.gov, or mail/drop off at:
City of Bend, City Manager's Office
710 NW Wall St.
Bend, OR 97703

For questions on serving on the Committee, please contact Susanna Julber, Senior Policy Analyst: 541-693-2132.
